Introduction

This impeccably maintained 132-foot Westship welcomes guests into an exclusive world of sensuous and cosmopolitan style. Attention to detail is given to every aspect, from the recent upgrade of soft furnishings, both interior and exterior, to the smooth operation of all mechanical systems. She also carries an abundance of water toys including a brand new 2008, 22-foot wide-body Nautica tender with the removable side door and twin 150-hp Yamaha engines. Brand new 2007 Seadoo GTX Limited with GPS, depth sounder and ski package. Her new dive locker sports all the latest equipment for underwater explorations.

Just like her namesake, Northern Lights is a dazzler, with a stunning profile that turns heads wherever she goes.

Lavishly decorated, her interior is sleek yet warm, refined yet sexy. The atmosphere is one of serene sophistication, with lush upholsteries in white, black, and gold. Luminous and vibrant glass sculptures, stainless steel, and gold plate all add sparkle and bling throughout the yacht. The gracefully curving lines of the furniture and other details echo the flow of waves, while original paintings celebrate feminine beauty.

Highlights of the main saloon include a marble bar, gracious sitting areas, and broad windows that draw in the beauty of the outdoors. The open dining area accommodates 8 guests to savor fine cuisine at a stunning glass table appointed with Baccarat crystal and fine china. Walk-around side decks provide easy access forward and aft.

As a tri-deck motor yacht, Northern Lights has numerous choices of places to enjoy the pampering experience of being aboard. Large double doors open to the aft deck, perfect for alfresco dining with a semi-circular settee and bar with seating. A spiral staircase leads up from inside the saloon to the large sky lounge. There you will find a full bar with seating, a hidden plasma TV and game table. In the evening, the fiber optic shooting star planetarium ceiling and adjustable mood lighting create just the right setting for dancing the night away. Doors lead from the sky lounge to the boat deck's dining area, appointed with BBQ and a covered seating area. Above the sky lounge, on the sundeck, 360-degree views create the exhilarating feeling of being on top of the world. The Jacuzzi, full bar with seating, and spacious seating make this a great place for sunbathing or cocktails.

All five of the staterooms have state-of-the-art entertainment systems. The full-beam master suite, located on the main deck, is a sophisticated oasis, with a king-size bed, a desk to starboard and settee to port, expansive windows for natural light, and a 42-inch plasma TV. The adjoining his and her baths have marble countertops, a full-size shower whose glass wall is etched with a graceful mermaid amid underwater flora, and a granite Jacuzzi tub. One deck below, a marble foyer opens to the guest staterooms, all of which have personal state-of-the-art entertainment systems. Three have queen-size beds and adjoining baths with marble vanities, while the third, also ensuite, is appointed with large twin beds. The fifth stateroom can be converted to fitness center.

Northern Lights shimmers on the horizon. Her polished crew of six is waiting to welcome you to a yacht like none other.
